

Lent/Easter Menu 2026

Fasnachtsküchle (German Lenten donuts)

Every year on Shrove Tuesday (Fat Tuesday), our wonderful Fasnachtsküchles make their long awaited return! Only available during the 40 days of Lent, they are one of the most popular items all year long. Our signature sweet dough is surface-fried in a donut kettle, creating an air pocket in each square shaped Fasnachtsküchle. We then finish each donut with one of six toppings:

- Cinnamon sugar
- Granulated sugar
- Powdered sugar
- White icing
- Maple icing
- Chocolate icing

Fasnachtsküchles can be purchased in any quantity and cost \$1.25/each, \$14.00/dozen.
